

Pantomime

Join D'Artagnan as he travels to Paris to seek his fortune and hopes to join the famous Musketeers. Unfortunately, the scheming Cardinal Richlieu has other ideas. He's plotting, along with his silly sidekicks Milady de Winter and Count Rochefort, to steal the Queen's Jewels and only our gallant heroes can stop them. It's One for All and All for One in this 60 minute show that has music. Silliness, puppetry and fun!
