

## Breakfast & After School Club Newsletter

### December 2023

#### £1.00 Drop Off added to ParentPay

After the success of booking and paying for the wrap around care on ParentPay and as many parents are now using childcare vouchers, we have decided to add the £1.00 8.30am drop off

at Breakfast club onto ParentPay. Now when you log on to book in for Breakfast club you will see this option, please book and then you have 15 minutes in which to pay. This system will be in use after Christmas, but is available now if you wish to try it now - we will not be taking cash when we return in January. If you have not yet registered for ParentPay, we have your log in details at the office and we are available to help you get set up if you should need it. This will also give us an indication of who will be attending. Many thanks.

#### Last minute bookings, changes or cancellations

Do not forget that you can book, amend or cancel your child's place right up to the session starting. So, if your child is ill or and will not be needing Before or After School club you can go on and remove them before they are due to attend. The payment will then be credited to your account.

Any late collections will be invoiced at £5.00 per 15 minutes.

Thank you for support and please come and see us at the office if you have any issues.

Many thanks
